

Marking Sheet for Section 1 (Quantitative)

Mark your answers for both sections using the answer key, place a checkmark under Correct, Wrong, or Omitted.

The difficulty of each question is shown. (1=easiest, 5=hardest)

Correct Answer	Your Answer	Correct (Check)	Wrong (Check)	Omitted (Check)	Type	Difficulty
1. B					Basic addition, subtraction, multiplication and division	1
2. D					Elementary concepts of geometry and measurement	1
3. C					Concepts of odd and even numbers	1
4. E					Ordering of numbers (greater than, less than)	1
5. A					Frequency	2
6. C					Elementary concepts of geometry and measurement	2
7. C					Interpretation of graphs	2
8. D					Elementary concepts of algebra	2
9. E					Percents, fractions, and decimals	2
10. B					Percents, fractions, and decimals	2
11. D					Basic concepts of angle measurement	2
12. A					Ratio and Proportion	3
13. C					Elementary concepts of algebra	3
14. E					Sequences	3
15. C					Interpretation of graphs	3
16. D					Interpretation of graphs	4
17. B					Interpretation of graphs	4
18. E					Elementary concepts of algebra	4
19. B					Elementary concepts of geometry and measurement	4
20. D					Elementary concepts of algebra	4
21. A					Sequences	5
22. B					Elementary concepts of algebra	5
23. C					Basic addition, subtraction, multiplication and division	5
24. E					Ordering of numbers (greater than, less than)	5
25. D					Ratio and Proportion	5

Answer Key for Test 2

Correct Answer	Your Answer	Correct (Check)	Wrong (Check)	Omitted (Check)	Type	Difficulty
1. B					Basic addition, subtraction, multiplication and division	1
2. D					Concept of odd and even numbers	1
3. C					Percents, fractions, and decimals	1
4. B					Elementary concepts of geometry and measurement	1
5. C					Basic addition, subtraction, multiplication and division	1
6. E					Elementary concepts of geometry and measurement	2
7. D					Ratios and Proportions	2
8. E					Sequences	2
9. C					Interpretation of graphs	2
10. A					Elementary concepts of algebra	2
11. E					Ordering of numbers (greater than, less than)	3
12. D					Percent, fractions, and decimals	3
13. B					Frequency	3
14. C					Frequency	3
15. C					Elementary concepts of geometry and measurement	3
16. D					Percents, fractions, and decimals	4
17. C					Elementary concepts of geometry and measurement	4
18. C					Elementary concepts of algebra	4
19. B					Percents, fractions, and decimals	4
20. B					Elementary concepts of geometry and measurement	4
21. E					Elementary concepts of geometry and measurement	4
22. B					Elementary concepts of algebra	5
23. D					Elementary concepts of geometry and measurement	5
24. A					Basic addition, subtraction, multiplication, and division	5
25. C					Frequency	5
